

Review station (R): review previous concepts & time tests

****remember to code your chart for today****

- facts 1-10, 2 min time limit for 100 problems
 - everyone in group takes time test at same time--someone set the timer for 2 minutes
 - after timer goes off, correct time test using answer key
 - log time info on chart--date, test type, time and score
 - any scores 93 or above, take appropriate action on bulletin board & grab reward from reward bin
 - **test to be put in your folder**
- review work
 - everyone in group works on review work together
 - when work is completed or time is running out, use answer key to check your work
 - for any wrong answers, determine where you went wrong
 - **work to be put in your folder**

Enrichment station (E): put your thinking skills to the test

****remember to code your chart for today****

- everyone in group works together to solve the problem(s)
- when work is completed or time is running out, use answer key to check your work
 - determine where you went wrong if you have any wrong answers
- **work to be put in your folder**

Reteach station (Rt): working with Ms. Sysko on quiz material that wasn't passed

****remember to code your chart for today****

- extra practice on material from quiz that was not passed
- schedule with Ms. Sysko a time to retake a similar quiz to try to improve grade
 - retake may be taken during this time

Ten Marks station (TM): work on assigned work within Ten Marks program

****remember to code your chart for today****

- go to tenmarks.com and log in
 - work on all assigned work within the program
 - be sure to submit work once completed OR at end of the hour to receive credit for what you did work on
